On February 26th 2013, Marc Giget invited Presans to the "Mardis de l'Innovation" to present its vision of the Open Innovation and crowdsourcing.

Presans engages the best experts in the world to provide insights to its clients to help them with strategic or operational decisions related to innovation. Albert Meige (me!) explained what the team of Presans learned over the last 5 years.

## Is Our Niche Safe from Google?

At Presans, a question we ask ourselves every now and then is: could it happen that a big player, say, Google, decides to enter the business of open innovation in one way or another?
